Free Downloads for Revolution and MetaCard

RevNet - A service for Runtime Revolution and MetaCard developers

This free plugin downloads and opens RevNet, an AOL-like online journal and resource index specifically for Revolution and MetaCard Developers. RevNet's index of downloadable stacks provides a form so you can add your own stacks, making them instantly available to all RevNet users. Also contains a convenient index to the Sons of Thunder Revolution Tips archive, links to Web pages devoted to Revolution and MetaCard, and more.
